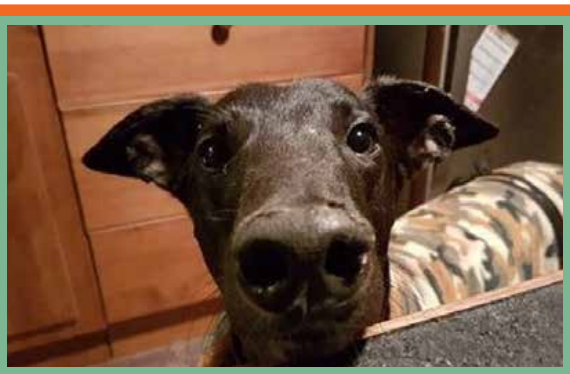
ADOPT A GREYHOUND MONTH!



ALFIE

Alfie adores humans, is good with cats and chickens. Alfie prefers being a solo dog, and doesn't mind if his humans work standard hours and would prefer to be with older children.

Alfie has controlled epilepsy (one tablet, twice a day). He is a goofy character and is an avid recycler, any cardboard you have laying around he is more than happy to repurpose for a toy.

TINKERBELLE

Tinky (short for Tinkerbell) may be petite but she more than makes up for it in confidence and personality.

She has discovered squeaky fluffy toys and will throw them in the air to entertain herself for hours! She loves playing fetch with other big dogs and can certainly hold her own. She's more active than the average greyhound.

BINGO

Bingo's goal in life is to adopt a pack of children! He absolutely loves kids and wants to take them all home with him. His absolute favourite part of walks is meeting other friendly pedestrians. Bingo is a very clever pup but does get lonely so would love to live with another doggy pal. With Bingo by your side, you'll always have an affectionate friend and be able to make many new ones with his heart-warming openness.
