

CUDDLY JUNO NEEDS A NEW HOME

- 🐾 Juno is an awesome one year old Staffy x Snuggle Bug.
- 🐾 Juno loves loves loves people and affection and prefers the comforts of a warm heater and soft carpet to the great outdoors.
- 🐾 She likes to be the centre of attention and can sometimes jump up on people to remind them she's ready for her next pat, but she is getting better.
- 🐾 She has good house manners, is toilet trained and is used to having access to the house when people go out.
- 🐾 She is a good traveller in the car and is looking for a home with an active family who will include her in whatever's going on.
- 🐾 Juno loves her outings and walks nicely with the help of a Halti Harness.
- 🐾 She is happy to meet dogs she doesn't know and she assumes all dogs will be her new best friend and accept her invitation to play.
- 🐾 Juno currently lives with another dog and it would be great if her new home had a friendly male dog who would also be keen to play and curl up in a bed together.
- 🐾 Juno has good basic training and is well socialised. She has reasonable recall in most situations - unless there is a roo around!
- 🐾 Juno is desexed, vaccinated and microchipped.
