

GENTLE KALEB NEEDS A NEW HOME

- ❗ Gorgeous Kaleb is a five year old ridgeback x bull arab/mastiff looking for a new home because his owner is moving overseas.
- ❗ If you love gentle cuddly giants then Kaleb could be for you – he weighs around 50kg.
- ❗ Kaleb loves people including children and loves his pats and snuggles. He is toilet trained and used to sleeping inside.
- ❗ He is looking for a new home where he will be welcomed into the home and given lots of affection.
- ❗ He is ok with other dogs, but sometimes can get anxious and protective and bark to keep them away.
- ❗ He will also chase cats if he has the chance and is best suited to a home without cats, chooks etc.
- ❗ Kaleb has good basic training and knows sit, drop and stay and some other commands. He's a clever dog and still loves to learn new tricks.
- ❗ He doesn't pull on lead if he's walked regularly, but if he does pull, he improves once reminded.
- ❗ As long as he gets his walks, Kaleb is a very chilled dog who's happy to lie on his bed near his people and just relax.
- ❗ Because of this, he's easy to have around and doesn't need a huge house.
