

MAX-A-MILLION NEEDS A NEW HOME

- 🐾 Max is a happy and energetic 18-month-old male Kelpie.
- 🐾 He's failed miserably at being a good working dog, but he's keen to start his new career as a great family pet.
- 🐾 Are you looking for a dog who can keep up with your kids? Or an enthusiastic running partner? How about a snuggle buddy to keep your feet warm on these cold nights?
- 🐾 Max is a very loving and affectionate bloke and would make a great addition to an active family.
- 🐾 He has been brought up around other dogs, gets along well with them and always wants to play.
- 🐾 He would love a home with a friendly young female dog for company and play.
- 🐾 He is not housetrained at the moment, but would likely learn quite quickly with positive reinforcement and consistency.
- 🐾 Max is a smart cookie and could be a great dog to take to obedience training or to learn tricks.
- 🐾 He will need a good size backyard with good fencing to keep him safe.
- 🐾 Max is not desexed, but his owner will contribute \$250 towards his vet fees.
