

## MEEKO NEEDS A FAMILY TO LOVE

- 🐱 Meeko had a tough start in life for a little kitten.
- 🐱 He was found living rough and could have died in the icy Canberra winter.
- 🐱 He is now a sleek little kitty with a big heart. He's a sensitive soul looking for someone to love him.
- 🐱 He can be shy when he first meets a stranger but once he knows you he is very loving.
- 🐱 He loves to play but beware - he is obsessed with socks! And his Crazy Cat expressions are the best!
- 🐱 He enjoys snuggling and his favourite place to nap is in the crook of your arm or flat on his back on your lap.
- 🐱 He is about 12 weeks old, desexed, microchipped, vaccinated, litter trained, wormed.
- 🐱 He is available for \$200 which is about half of their actual vet costs.
