

## FRIENDLY PUCKY NEEDS A NEW HOME

- ❗ Pucky is a big friendly 8 year old dog looking for a home through no fault of his own.
- ❗ He loves everyone and free ranges with his owner's chooks.
- ❗ Pucky is looking for a loving family who'll include him in whatever's going on and give him a warm place to sleep.
- ❗ He's never been aggressive towards anyone or any animal but he will bark if someone comes to the fence.
- ❗ He needs a walk most days and like lots of dogs, pulls at first then settles down.
- ❗ He may pull on a lead to get to another dog but only to play.
- ❗ Pucky currently lives as an outside dog so you'd need to keep an eye on him inside until he was housetrained.
- ❗ Pucky 'sort of' plays fetch and brings the ball back most of the time. :)
- ❗ His owner reckons he's a great recycling bin as no scraps go to waste with him around.
- ❗ Pucky's new owner will need to get him desexed and vaccinated asap.
