

## TOMTOM NEEDS A NEW HOME

- 🐾 Tomtom is a gorgeous 6 year old red Cattle dog X Bull Terrier. **He urgently needs a new home by 17 July.**
- 🐾 He walks well on a lead using a halti and loves his daily walk, though he also enjoys a ball thrown for him.
- 🐾 He has grown up with children but can still be boisterous so would be better with older children.
- 🐾 He can sit and knows to wait for his food.
- 🐾 He was toilet trained as a youngster but has been an outside dog for the past 3 years so will need a refresher.
- 🐾 When meeting other dogs, Tomtom will pull towards a dog but shows no aggression unless the other dog shows aggression first.
- 🐾 He has been living as an only dog, so he would be happier to be the only dog in his new home.
- 🐾 He is desexed and microchipped.
