### YOUNG MAPLE NEEDS A NEW HOME

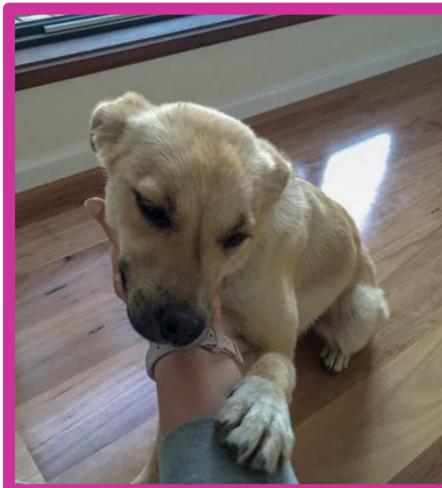

Maple's an 8-month-old Kelpie cross. She's looking for a home where she'll be given the training and guidance to grow up to be an awesome member of the family.

She loves people but is afraid/uncertain about new things. She needs an owner who'll take things slowly and help her grow up feeling more confident in the world.

She travels well in the car and doesn't seem to have separation anxiety. She is good on lead and doesn't pull. Out on walks, she's cautious but interested in other dogs. Maple takes a while to get confidence with new dogs, but once she has it she's very keen to play.

She gets along really well with the dog she currently lives with and would love a home with another friendly dog. Best in a home without cats. Maple enjoys visits to the dog park when it's quieter and she can explore. She's house trained and is desexed and vaccinated.

**Contact Maple's owner on 0450 963 587 or email: [bdsadler@gmail.com](mailto:bdsadler@gmail.com)**

### LOOKING FOR A LOUNGE LIZARD?

Biscuit is a calm and cuddly, loving and loyal mystery mix girl. She's a big dog but more of a lounge lizard than an athlete.

She's seven years old, desexed, vaccinated and has a clean bill of health. She has good house manners and is used to being inside when her people are home. She sleeps inside. She likes to be around people but is also happy to chill in the backyard during the day.

She is fantastic with kids and currently lives with three kids. She is good on a lead and doesn't mind seeing other dogs on walks, but doesn't want to say hello. She isn't good with other dogs up close and can only be in a house where there are no other dogs. She has basic training like sit, lie down, wait/stay etc She doesn't jump up on people.

He loves going for walks but needs more lead training, he is just so excited about the world.

Bullet lives with a another staffy (Charlie, who is also up for rehoming) and would love a new home with another dog.

His new owner should be prepared to do training and socialisation with him, puppies learn so much in these first few months that set them up for life.

Bullet or "Bully" to his friends is a 5 month old staffy pup. He loves people and children! He's looking for a new home after a change in his owners housing arrangements.

To find out more contact Chloe at: [Chloeannreed125@gmail.com](mailto:Chloeannreed125@gmail.com)

### CUTE CHARLIE NEEDS A NEW HOME!

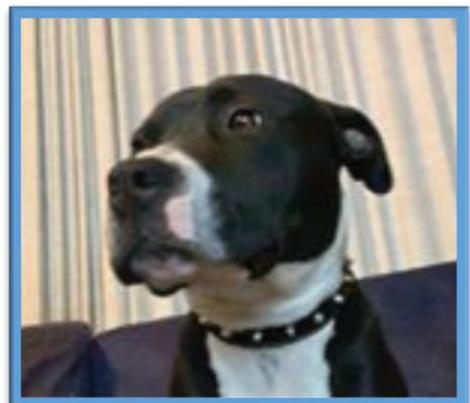

Charlie is a two-year-old Staffy x Pitbull. He's looking for a new home because of a change in his owner's housing circumstances.

Charlie is a really nice natured dog who knows some basic commands. He loves his cuddles from adults and children. He's pretty good on lead when out for a walk but will try to pull towards other dogs to say hello.

Charlie is friendly with other dogs and he currently lives with a five month old pup. He gets along best with dogs that are smaller than him, and he could be happy in a home with or without a doggy friend.

His favourite thing is to have plenty of attention from his people. Charlie needs a house with a yard, he doesn't like to be left inside all the time. He's able to jump over low fences so needs a house with secure fences.

Max is looking for an owner who has the time to give him a good walk each day. He's also looking for a home where he's not left on his own all day and has some human company. An active retiree would be great.

### CAT FRIENDLY COSMO NEEDS A NEW HOME

Cosmo is a 5 year old red heeler, who's lived with several different cats and got along with all of them!

She is a great dog, she's housetrained, used to living inside and out, enjoys regular walks and plays fetch.

She's looking for a new home without young children. She's good with older children but young children make her very anxious.

Cosmo is equally suited to either being an only dog or as a buddy for another dog. Cosmo is a playful, friendly girl, who would make a loving companion in the right home. She's desexed, microchipped and up to date on her vaccines.

Contact Sheena on 0406696680 or [dunne.sheena@gmail.com](mailto:dunne.sheena@gmail.com)

### ENERGETIC JAKE NEEDS A NEW HOME

Jake is a lovely crossbreed just under 5 years old.

He absolutely LOVES human attention. He loves cuddles and sees himself as a lap dog. He has good house manners once he gets over his initial joy at being inside.

He's a very excitable boy but is super gentle in nature. He loves playing ball, tug-a-war and LOVES swimming.

Jake's not great on lead and that's mostly because he's gets so wound up on walks. He's never learnt to be relaxed or comfortable around other dogs and spends his time barking at them to keep them away. But he loves his walks and so needs an owner willing to give him a good walk each day in quieter places. He's microchipped, desexed and due for vaccinations.

### RELAXED 'MACI' NEEDS A NEW HOME

Maci is a female Great Dane x Bull mastiff about 5 years old. She's great with kids and is an easy-going laidback dog. She enjoys pats and attention but isn't overly needy. Happy to just hang out with her people.

If she's feeling playful, she loves squeaky things, tug-a-war and chewing sticks. She's great with other dogs and was raised with cats, however that was a while ago.

She's ok on lead, pulls for first 5 minutes but wears a halti harness and settles down quickly. She needs a walk most days to keep life interesting.

She's friendly to strangers however sometimes barks at men if she feels nervous. She would be happy in a home with or without another dog however it would be best if the other dog was male. She's microchipped, desexed and due for vaccinations.

Email [sam\\_barrett@outlook.com.au](mailto:sam_barrett@outlook.com.au) or send a txt to 0434 195 232.

Manchita is well trained and loves to learn new things. She hasn't lived with children but has been fine with visiting children. She loves to go for walks and gets along well with other well-mannered dogs. No good with cats.

### CAPTAIN KAOS NEEDS A NEW HOME

Kaos was recently rehomed but sadly, he and the other dog in the household didn't hit it off.

Kaos is a desexed four year old male Pitbull looking for a new home due to a change in his family's situation. He has been to guard dog training in Sydney for obedience and guard training and is able to return to the Sydney trainer for more training at any time for only the cost of his board.

He's housetrained and is used to being inside when his people are home. He's not used to being left outside for long periods of time. Kaos is a bit boisterous but fine with other dogs once properly introduced. He currently lives with several other dogs but is probably better suited to a home where he'll be the only dog.

He's a lovely dog and much loved, and his owners would love to keep in touch with whoever adopts him if possible.

**To find out more, contact Will on 0421 749 216.**

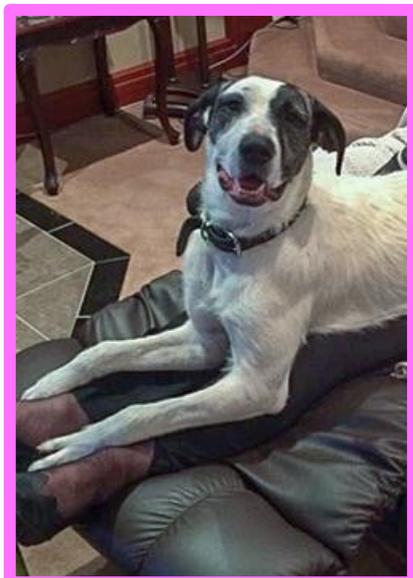

### BIG BEAUTIFUL ELLA NEEDS A NEW HOME

Ella is a three year old beautiful big dog (50kgs!) who loves coming inside to be with her people. She's smart and picks up commands very easily. She can be a little anxious and is looking for a home with a calm and confident experienced owner. Because she can get a bit anxious, she would be best in a home without children.

She's a very relaxed, happy and obedient dog when she feels safe. She loves toys, but tends to trip over herself when playing fetch! She's very affectionate and loves cuddles but can be nervous of strangers, especially if they are nervous of her.

She pulls on lead, and if teamed up with another dog will willingly participate in mischief. She's ok with other dogs unless she becomes uncertain around them. She currently lives with another dog and they get on beautifully. She's not suitable for a home with cats. Ella is desexed and vaccinated.

**To find out more, contact her owner on 0414 711 226.**

### A COUNTRY BOY NEEDS A NEW HOME

REX is a two year old American Bulldog cross who's been raised with four kids and two cats.

He's looking for a new home due to a change in his family's circumstances. He's a friendly family pet and an outside dog.

He's located on a farm at Jugiong which is just a short country drive away from Canberra (about an hour and a half).

Because he's always lived out of town, he's used to going around the farm off lead and so hasn't spent much time on lead. He's good with livestock but not so good with kangaroos! He's a bit stand-offish until he gets to know you but has good basic obedience.

Contact his owner on 0408 836 788 or email: [Koztie@outlook.com](mailto:Koztie@outlook.com)

### BEAUT BOAZ NEEDS A NEW HOME

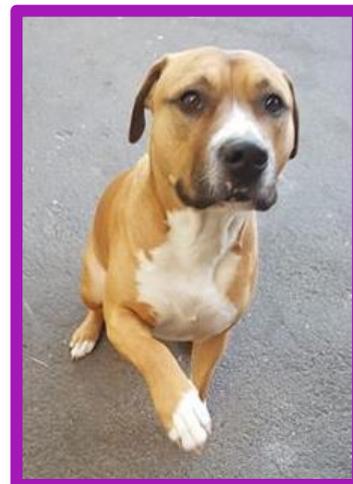

Boaz, or 'Bo' to his friends, is a handsome Amstaff. He's 5 years old, vaccinated and desexed.

He's good with children but does tend to jump a bit when he's excited. Bo is full of energy and would need time for walks and play, but he also enjoys laying in the sun.

He is still a young dog and is looking for an owner with time to take him out each day for a walk. Bo is a lovely dog that would suit a family that would give him lots of time, love and attention.

It's recommended he be the only pet. Bo has been around other dogs and loves to play but he just doesn't know when to stop. He is a big dog and needs a backyard. Unfortunately, his owners have moved to a unit and he has no space or yard.

### SKYE THE SMOOCHER NEEDS A NEW HOME

Skye is a much loved two year old female staffy cross. She is great with kids and other dogs but not so good with cats or chickens.

She's looking for an active family who'll include her in everything that's going on. She currently lives on a property but is too interested in harassing the stock and so sadly she's looking for a home in town now.

She has basic obedience (sit, stay and come) and is toilet trained. She will need daily runs and would benefit from more practice on the lead.

Skye would suit an active person or family, with preschool kids or older, as an only dog or with dogs similar size or larger.

She is a big smoocher, used to being inside with her hoomans and allowed to snuggle on the couch. Like all young athletic dogs, she'll need a colorbond fence of good height.

**To find out more about this snugglebug, contact her owner on 0421 965 686.**

### BEAUTIFUL NATURED BAYNE NEEDS A NEW HOME

Bayne is an 8 year old (approx) dreamboat who acts so much younger than his age. He's extremely playful and comes alive with his toys, which he'll gladly throw, catch and chase all by himself like the happy dog he is.

He has a beautiful nature, and adores people. He needs supervision around other dogs, and isn't suitable with cats. He spent a few months in the pound, and his current owners were worried he might be put down so they adopted him, always intending to rehome him.

He's very smart and knows sit, shake, drop, wait, come, go and bark on command. He's looking for a home where he'll be loved and be a member of the family.

**To find out more, email Hayley on: [grazzelda\\_316@hotmail.com](mailto:grazzelda_316@hotmail.com)**

### SWEET BASIL NEEDS A NEW HOME

Basil is a delightful and much loved 4-year-old Mystery mix. He's affectionate, playful and loves people. He loves to play, and will chase a ball, but prefers you to chase him around the yard or play tug-o-war.

He's anxious on walks around traffic and outside of his comfortable space. Basil is used to coming inside to sleep on a comfy bed or snuggled up with his people. He has lovely indoor manners.

He is anxious around other dogs, although he has lived well with another dog over the past few years. He'd be better in a home where he is the only dog.

He is a bit boisterous for smaller children and stressed around babies but does like to play with bigger kids. He's desexed, vaccinated & microchipped. Basil comes with a training session from Paws In Motion Pet Services to help him settle in.

Call his owner on 0415290254 or email [dan.and.cait.buttress@gmail.com](mailto:dan.and.cait.buttress@gmail.com)

### PRETTY APRIL NEEDS A NEW HOME

April is a 4 year old premium blend mixed breed, about medium sized. She is a happy and energetic girl looking for a new home through no fault of her own.

She was adopted from the RSPCA a few years ago but sadly her family no longer have enough time to give her the life she deserves.

She's playful and loves kids and adults. She'll need an active family who'll take her for regular walks or runs and include her as part of the family. She's not good with other dogs unfortunately.

She's microchipped and vaccinated and has had regular vet checkups.

### JESTER AND SARABI NEED A NEW HOME TOGETHER

Sarabi and Jester are two family friendly dogs who are great with children. They've grown up together and are looking for a new home together.

**Sarabi** is a female six year old Kelpie cross. She is very affectionate although she had a rough start in life and is still a bit nervous around loud noises.

**Jester** is a male five year old Labrador. He's a big boofhead and loves a good play or a tummy scratch.

They mostly live as outside dogs but come inside for a few hours each day. They aren't the greatest dogs on leads, they like to explore a lot and pull. At the moment they're only walked on weekends, but with a good walk each day, they may settle down.

On walks, they get very excited and bark sometimes when they see another dog. Again, this may improve with regular walks. Both love playing fetch and bring back balls about 50% of the time. They are very affectionate and love sitting at your feet. Both know how to sit, shake and stay. Sarabi is desexed, Jester is not.

To find out more, email their owner on [spdempsey@bigpond.com](mailto:spdempsey@bigpond.com)

### TIMMY IS LOOKING FOR A NEW HOME

Timmy is only 12 months old, Kelpie cross, he has had a rough life before being adopted by his current owners. He was extremely thin, starving, full of worms, covered in scabs and was terrified of everything.

He's made great progress, he needs a kind and patient home that can build his confidence. He's house trained, loves other dogs and toys! The dog toy box is one of his favourite discoveries about living in the house.

Timmy is very smart and athletic. He's a very sweet and gentle boy. Only barks to alert that someone has come to the property. He's met horses and is not fazed by them.

Timmy would suit a experienced dog home preferably with another friendly dog to keep him company. He would not suit a home with cats. He would be great for a retired couple who are still very active and have another dog around his size.

### **BUNDY NEEDS A NEW FAMILY TO LOVE**

Great family dog. Good with kids and currently lives with toddler. Used to being inside. He belonged to a young bloke who's now moved out of home and his mum didn't plan to own a dog!

Bundy hasn't been taken for a walk for quite a while, but he'd love a home where he gets regular walks. He's six years old. He loves his toys (or anyone else's toys) and is very cuddly. He knows sit and waits to get a treat. He's a clever dog and would quickly learn the rules of his new home. He pulls on the lead, but a front attaching harness and some training could help this.

For most of his life he's lived with another dog, but she's gone now and for the last year he's been lonely. He'd probably love a friendly female dog to hang out with. Bundy is desexed.

**To find out more, contact his owner on 0403 570 993.**

### **MINDY & REXY NEED A NEW HOME TOGETHER**

These two dogs are smart loving loyal dogs with a beautiful nature. They will only go to a loving home where they will be included as part of the family.

Both dogs are about 4 years old. **MINDI** is the black and white female staffordshire terrier (desexed). **REXY** is the male white and brindle Johnson bulldog x staghound (not desexed). Both dogs are good with kids. Both dogs are affectionate and would make great family dogs although Remy jumps up a bit.

They have not been around other dogs but they are ok when they pass by other dogs on a walk. Remy is great on lead but Mindi pulls. Sometimes they are nervous around strangers, but they warm up quickly. They are not escape artists but will need a secure yard. They are both microchipped and vaccinated.

**Contact their owner on 0468 811 557.**
