HUCKLEBERRY NEEDS A NEW HOME

(Note: Huckleberry is located at Merimbula)

Huckleberry is a gorgeous energetic 15 month old male Labrador cross. He's looking for an active new owner who has the time to exercise him every day and take him on fun adventures.

Huck's not the kind of dog you can just leave in the backyard all day. He's a youngster who'll get up to mischief if he's lonely. He's looking for a home where someone is around at least some of the day and where he'll be a loved member of the family.

Huckleberry gets along with other dogs and would also be great buddy for older children. He's a bit too young and boisterous for smaller kids. He missed out on getting basic training and would benefit from catching up.

He's microchipped, desexed and vaccinated and needs secure fences of a reasonable height. His owner is seeking \$100 towards recent vet costs.

Email Huckleberry's owner at: merimbulaa@gmail.com

PEPPER NEEDS A NEW HOME

Pepper is a sweet little Kelpie x Foxy about 7 years old. She's a very faithful and friendly girl and a dream to walk on lead or off lead. She's lived with cats and is also fine with chickens and horses.

Poor Pepper's life has been in turmoil recently through no fault of her own. Her new owner will need to be patient while she settles in and finds her feet again.

She's very friendly towards everyone and she loves to play with children. She's better suited to kids over about 5 years as she does get excited and may knock a smaller child over.

She's looking for a home where she'll be allowed inside and included as part of the family. She needs to be in a home without other dogs. She's fine when she sees other dogs on a walk, but she lacks the doggy social skills needed to share a home with another dog.

Email Pepper's owner at: teena.cooper@optusnet.com.au

MARLEY NEEDS A NEW HOME

Marley is a 9-year-old Rotti mix, needing a new home because his family is moving overseas. This gorgeous boy has lovely indoor manners, is used to sleeping inside with his family and loves an outing.

He walks well on lead with the occasional strong pull towards a particularly interesting scent. Marley is not a fan of the dog park as he can get overwhelmed with too many dogs around, but he does have a few doggy playmates. Marley's ideal home is where he's only dog, the centre of his family's attention.

Despite his tough guy appearance Marley is very storm phobic and needs to be inside if bad weather is forecast. He is also scared of sudden loud noises.

Marley is desexed, microchipped, vaccinated and needs an effective and inexpensive injection for arthritis every 3 months in warmer months, and every month in winter. **Contact Anna by email: annaglynn07@gmail.com or phone 0450 835 246.**

REXY NEEDS A NEW HOME

Rexy is much loved, but his owner has three small children and Rexy isn't getting any attention. He is a Johnson Bulldog x Staghound about five years old. He's a smart loving loyal dog with a beautiful nature.

He will only go to a loving home where he'll be part of the family. He's good with kids, affectionate and would make a great family dog. Rexy will need to learn not to jump for attention.

He has not been around other dogs, but he is ok when he passes by other dogs on a walk. Rexy is great on lead. Sometimes he is nervous around strangers, but he warms up quickly. He's not an escape artists but will need a secure yard. He's not desexed, but is vaccinated and microchipped.

Contact his owner on 0468 811 557 or email kerbyw@hotmail.com

MAGNIFICENT MAX NEEDS A NEW HOME!

Max is a 3 year old gorgeous boy with a sweet and happy nature. He is desexed. He loves food, loves cuddles, and loves playtime with doggy friends.

He's housetrained, fine around kids but probably older kids because he can get excited. He is basically just a happy sweet guy.

He also loves going for walks although he does need reminding not to pull.

Max is looking for an owner who has the time to give him a good walk each day. He's also looking for a home where he's not left on his own all day and has some human company. An active retiree would be great.

ADOPT CHIP & BOSTON! INSTANT DOG FAMILY!

Boston is a kelpie and Chip is a kelpie x border collie. They are beautiful furry friends who are about two years old looking for a home together

Both are great with kids and they don't mind cats. They are very affectionate and Chip loves sitting at your feet. Boston knows how to sit and shake. Chip with further training would get there!

They both love going for walks and they will walk on a lead but they do need further training so they don't pull.

They have always lived as outside dogs, so aren't house trained but could learn. They're not escape artists but need a reasonable height fence in good condition.

ENERGETIC JAKE NEEDS A NEW HOME

Jake is a lovely crossbreed just under 5 years old.

He absolutely LOVES human attention. He loves cuddles and sees himself as a lap dog. He has good house manners once he gets over his initial joy at being inside.

He's a very excitable boy but is super gentle in nature. He loves playing ball, tug-a-war and LOVES swimming.

Jake's not great on lead and that's mostly because he's gets so wound up on walks. He's never learnt to be relaxed or comfortable around other dogs and spends his time barking at them to keep them away. But he loves his walks and so needs an owner willing to give him a good walk each day in quieter places. He's microchipped, desexed and due for vaccinations.

To find out more, email sam_barrett@outlook.com.au or txt to 0434 195 232.

BEAUT BOAZ NEEDS A NEW HOME

Boaz, or 'Bo' to his friends, is a handsome Amstaff. He's 5 years old, vaccinated and desexed.

He's good with children but does tend to jump a bit when he's excited. Bo is full of energy and would need time for walks and play, but he also enjoys laying in the sun.

He is still a young dog and is looking for an owner with time to take him out each day for a walk. Bo is a lovely dog that would suit a family that would give him lots of time, love and attention.

It's recommended he be the only pet. Bo has been around other dogs and loves to play but he just doesn't know when to stop. He is a big dog and needs a backyard. Unfortunately, his owners have moved to a unit and he has no space or yard.

SKYE THE SMOOCHER NEEDS A NEW HOME

Skye is a much loved two year old female staffy cross. She is great with kids and other dogs but not so good with cats or chickens.

She's looking for an active family who'll include her in everything that's going on. She currently lives on a property but is too interested in harassing the stock and so sadly she's looking for a home in town now.

She has basic obedience (sit, stay and come) and is toilet trained. She will need daily runs and would benefit from more practice on the lead.

Skye would suit an active person or family, with preschool kids or older, as an only dog or with dogs similar size or larger.

She is a big smoocher, used to being inside with her hoomans and allowed to snuggle on the couch. Like all young athletic dogs, she'll need a colorbond fence of good height.

To find out more about this snugglebug, contact her owner on 0421 965 686.

BEAUTIFUL NATURED BAYNE NEEDS A NEW HOME

Bayne is an 8 year old (approx) dreamboat who acts so much younger than his age. He's extremely playful and comes alive with his toys, which he'll gladly throw, catch and chase all by himself like the happy dog he is.

He has a beautiful nature, and adores people. He needs supervision around other dogs, and isn't suitable with cats. He spent a few months in the pound, and his current owners were worried he might be put down so they adopted him, always intending to rehome him.

He's very smart and knows sit, shake, drop, wait, come, go and bark on command. He's looking for a home where he'll be loved and be a member of the family.

To find out more, email Hayley on: grazzelda_316@hotmail.com

SWEET BASIL NEEDS A NEW HOME

Basil is a delightful and much loved 4-year-old Mystery mix. He's affectionate, playful and loves people. He loves to play, and will chase a ball, but prefers you to chase him around the yard or play tug-o-war.

He's anxious on walks around traffic and outside of his comfortable space. Basil is used to coming inside to sleep on a comfy bed or snuggled up with his people. He has lovely indoor manners.

He is anxious around other dogs, although he has lived well with another dog over the past few years. He'd be better in a home where he is the only dog.

He is a bit boisterous for smaller children and stressed around babies but does like to play with bigger kids. He's desexed, vaccinated & microchipped. Basil comes with a training session from Paws In Motion Pet Services to help him settle in.

PRETTY APRIL NEEDS A NEW HOME

April is a 4 year old premium blend mixed breed, about medium sized. She is a happy and energetic girl looking for a new home through no fault of her own.

She was adopted from the RSPCA a few years ago but sadly her family no longer have enough time to give her the life she deserves.

She's playful and loves kids and adults. She'll need an active family who'll take her for regular walks or runs and include her as part of the family. She's not good with other dogs unfortunately.

She's microchipped and vaccinated and has had regular vet checkups.

JESTER AND SARABI NEED A NEW HOME TOGETHER

Sarabi and Jester are two family friendly dogs who are great with children. They've grown up together and are looking for a new home together.

Sarabi is a female six year old Kelpie cross. She is very affectionate although she had a rough start in life and is still a bit nervous around loud noises.

Jester is a male five year old Labrador. He's a big boofhead and loves a good play or a tummy scratch.

They mostly live as outside dogs but come inside for a few hours each day. They aren't the greatest dogs on leads, they like to explore a lot and pull. At the moment they're only walked on weekends, but with a good walk each day, they may settle down.

On walks, they get very excited and bark sometimes when they see another dog. Again, this may improve with regular walks. Both love playing fetch and bring back balls about 50% of the time. They are very affectionate and love sitting at your feet. Both know how to sit, shake and stay. Sarabi is desexed, Jester is not.

To find out more, email their owner on spdempsey@bigpond.com
