

MANCHITA NEEDS A NEW HOME

- 🐾 Manchita is well trained and loves to learn new things.
 - 🐾 She hasn't lived with children but has been fine with visiting children.
 - 🐾 She loves to go for walks and gets along well with other well-mannered dogs. No good with cats.
 - 🐾 If you're looking for a playful, happy companion who loves people, loves walks and is dream to train, she could be the dog for you.
 - 🐾 She is desexed, vaccinated and microchipped.
- 🐾 Manchita is delightful, affectionate staffy who's looking for a new home because a family member is allergic to her.
 - 🐾 She's seven years old and is very friendly with everyone, obedient and loves going for walks.
 - 🐾 She is much loved and her owner would like to find her a home where she will once again be a treasured member of the family.
