

Dear Members

Starting Monday 30 September, **for 72 hours only**, SavourLife will offer the following deal:

For every 2.5kg grain free food bag you purchase online from <mailto:www.savour-life.com.au> they will donate the equivalent of 2 bags to ARF.

In the **Order Comments** section when you are checking out, simply write “1 for me, donate 2 to ACT Rescue & Foster” and SavourLife will take care of the rest.

Or, if you're feeling extra generous, you can buy a bag and SavourLife will send ARF your bag plus the donated 2 bags to us for our foster dogs. Simply write “**Everything to ACT Rescue & Foster**” and we'll receive all 3 bags.

NOTE: This offer is good for 72 hours only so hands on keys boards when Monday 23 September come around!

Purchasing SavourLife products will support a family-owned Australian company inspired not only by the love of dogs but also the desire to make a difference. SavourLife donates 50% of its profits to rescue groups just like us and does a lot of other work behind the scenes to support all things rescue. They also have a new dog adoption portal called Adopt-A-Dog, where you can find our adoptable dogs listed.
