What can I do with my dog?

Dog Sports & Activities

Whether your dog is big or small, hairy or smooth coated, old or young, all dogs will benefit if their owners train basic behaviours. Increasingly, local ACT Government legislation requires ACT residents to be responsible dog owners and imposes penalties for those who fail to comply with their requirements. Even a basic level of training will enable most dog owners to have a happy, well socialised and well behaved dog. And in an emergency situation, you will be so thankful to control your dog!
