

**What's Inside?**

Which foster dogs are looking for a home

**Who is waiting?**

As of May 1st, the dogs that are waiting for their forever homes are -

Ruhv, Viper, Wish, Badger, Byro, and Tigger.  
Feel free to share their stories!

**Click on Tigger's picture to be taken straight to his profile.**

Tigger has impeccable indoor manners, sleeps peacefully through the night, loves a good sleep in, and is a very devoted companion and TV buddy. He is equally happy at home out in the garden sunbathing while you work.

Know anyone that would like to be part of the ARF Community?
